

## MNI-H

### Bodies

		<p><i>Due to strong spring forces we offer the MNI-H only with two alignment screws. If a third screw should be necessary, we recommend the screw as hexagon socket for easier alignment</i></p>
MNI-H-2-...	MNI-H-2G-...	

### Frontplates

				
...-3000	...-3010 (6H7)	...-3021 (1/2")	...-3030 (1/2")	...-3025 (1")

	
...-3035Up	...-3035Down

The order number of the desired MNI-H mirror holder consists of the number of the body-plate including quantity of the screws and the number of the chosen front-plate.

### MNI-H-U

- Extra small Mirror Mount
- 4 strong springs
- High-precision screws with hexagon socket
- Option: with locking device

MNI-H-U-2-3030  
MNI-H-U-3-3030
